

Companion Protect Privacy Policy

Effective Date: March 1, 2017

Last Updated: April 9, 2021

This Privacy Policy (the “Policy”) applies to the websites, applications, and electronic communications on which it appears or is linked (the “Platform”). This Policy describes how Companion Protect, LLC as well as our affiliates and subsidiaries (collectively "Companion Protect" or "we" or "us" or "our") uses the Personal Information that we collect, receive, maintain, and store about you. Please read this Policy carefully, by interacting with us through the Platform you consent to this Policy. **Note: This Policy does not apply to information subject to the Gramm-Leach-Bliley Act (GLBA). To see our GLBA Privacy Notice [please visit here](#).**

1. Types of Personal Information Collected

We collect a range of Personal Information. “Personal Information” is information that identifies, relates to, describes, or is reasonably capable of being associated with or linked to an individual. When we combine Personal Information with other information (i.e. information that does not, on its own, identify you), we treat the combined information as Personal Information.

Contact and Demographic Information – If you register for an account or submit an inquiry, we may collect your contact and mailing information. This may include your email, name, address, phone number, and pet name. In addition, from time to time we receive email lists from our channel partners, which may also include the contact and demographic information listed above.

Payment Information – If you make a purchase through the Platform, we will collect your payment information including your credit card information and billing address. We will also collect your purchase details.

Employment Information – If you apply for employment with Companion Protect, we will collect your employment and work history, as well as Personal Information related to your potential employment. This may include your education and employment history, address and contact information, demographic information, and any other information included in your resume or application.

Account Information – If you create an account with us, you will create and provide us with a user name and password, and may upload other Personal Information through our customer portal. We may also collect your purchase information.

Location Data – While navigating our Platform your mobile device or browser may share you’re your location data, both through WiFi and GPS. Companion Protect will collect this information based on the settings of your phone and browser.

Usage Information – We may also collect usage and device information when you visit our Platform. This may include information about the browser, operating system, and/or device identifier for the device you are using, your ISP and IP information, your navigation activity on the Platform, as well as the websites that you came from and the site you visit when you leave.

2. Method of Information Collection

We collect Personal Information in a variety of ways. We collect Personal Information directly from you; for example, when you register an account on the Platform, make a purchase, submit a job application, or correspond with us through the Platform.

We also collect information from third parties. For example, we work with business partners, subcontractors in technical and delivery services, advertising networks, analytics providers, and search information providers.

We also collect Personal Information from you passively. Our Platform uses tracking tools like cookies, pixels, and web beacons. We do this both on our Platform and in emails that we send to you. Through these tools, we collect Personal Information about users over time when you use our Platform. This collection includes usage and browser information. We may also have third parties collect Personal Information in this way. For more information about the trackers that we use, please see Section 6 of this Policy. Additionally, if you enable location data on your device, this data will be collected passively based on the location settings on your device.

3. Combining Information

We may combine Personal Information we obtain. For example, we may combine Personal Information that we have collected online with Personal Information that we have collected offline, for instance during calls between you and our support team. We may also combine Personal Information that we have collected across other third party sites or from other third parties with Personal Information we already have. Finally, we combine Personal Information across devices.

4. How We Use Personal Information

We will use your Personal Information to fulfill purchases and offer our services, respond to your requests and inquiries, as well as to send you communications. We also use your Personal Information to communicate with you for transactional purposes. For example, we might contact you about this Policy or our Terms of Use.

We may also use your Personal Information to improve our Platform, products, and services. This may include using your Personal Information to customize your experience with us. We may also use your Personal Information for the security of the Platform and our company, our customers, and other third parties. We may also use your Personal Information to protect against fraud and other malicious activity.

We may also use your Personal Information for marketing purposes. For example, we may send you information about new features on the Platform, new services we offer, and special offers. When legally permitted, this may also include using your Personal Information to serve you ads and to tell you about products or offers available through us, or third parties that we think you might find interesting.

Finally, we may use your Personal Information for other purposes, as permitted by law.

5. Sharing Personal Information

We may share your Personal Information in the following circumstances:

- **Within Companion Protect** – We may share your Personal Information within our family of companies.
- **Service providers** – When we hire a service provider to help operate the Platform or our business, we may give access to Personal Information as necessary to perform the service for Companion Protect. This may include, but is not limited to, service providers that operate our Platform, send our communications, or run our promotions.

- **Business Partners** – Companion Protect may share Personal Information to our trusted business partners. For example, we may share your Personal Information with a company when we co-sponsor a promotion or service. These partners may use your Personal Information to, among other things, send you information or contact you about their services and products.
- **Third Parties for Marketing Purposes** – We do not currently share your Personal Information with third parties for their marketing purposes.
- **Legal obligation or protection from harm** - When we have a good faith belief that access, use, preservation or disclosure of the Personal Information is reasonably necessary to (a) satisfy or comply with any requirement of law, regulation, legal process, or enforceable governmental request, (b) enforce or investigate a potential violation of the Terms of Use, (c) detect, prevent, or otherwise respond to fraud, security or technical concerns, (d) support auditing and compliance functions, or (e) protect the rights, property, or safety of Companion Protect, its users, or the public against harm.
- **Merger or sale** - If and when Companion Protect is involved in a merger, acquisition, or any form of transfer or sale of some or all of its business, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding. Personal Information may be transferred along with the business. Where legally required we will give you prior notice and if you have a legal right to do so, an opportunity to object to this transfer.
- **Purposes described to you** – We may share your Personal Information for other purposes, as we describe to you.

6. Cookies and Other Technologies

We collect Personal Information about users over time on the Platform by using several common types of cookies and other tracking technologies including web beacons, pixels, and flash cookies. We also have third parties that collect Personal Information in this way on our behalf and for their own purposes. Cookies are small files that download when you access certain websites. For more information about cookies visit: <http://www.allaboutcookies.org/>. Web beacons, pixels, and other tracking technologies operate independent of cookies.

To assist us with analyzing our website traffic through cookies and similar technologies, we use analytics services such as Google Analytics. For more information on Google Analytics’ processing of your Personal Information, please see [“How Google uses data when you use our partners' Platforms or apps.”](#) You can opt out of Google Analytics by installing [Google’s opt-out browser add-on](#).

These cookies may be ones placed by us (first-party) or by a third party. These cookies may also be Flash Cookies. To learn how to manage privacy and storage settings for Flash cookies [click here](#). We may use cookies that are session-based or persistent. Session cookies expire when you close your browser or turn off your device. Persistent cookies remain on your device after you close your browser or turn off device.

We may use a variety of cookies:

Type of Cookies	Description
Required	Required cookies are essential for the Platform to function properly and for you to navigate our Site and use its features, such as accessing secure areas of the Platform and using our services.
Performance	These cookies collect information about how you use the Platform, including which pages you go to most often and if they receive error messages from certain pages. These cookies do not collect information that individually identifies you. All information these cookies collect is aggregated and anonymous. It is only used to improve how the Platform functions and performs.

Functionality	Functionality cookies allow the Platform to remember information you have entered or choices you make (such as your username, language, or your region) and provide enhanced, more personal features. These cookies also enable you to optimize your use of the Platform after logging in. These cookies can also be used to remember changes you have made to text size, fonts and other parts of web pages that you can customize.
Targeting or Advertising	<p>From time-to-time, we may engage third parties to track and analyze usage and volume statistical information from individuals who visit the Platform. We sometimes use cookies delivered by third parties to track the performance of our advertisements. For example, these cookies remember which browsers have visited the Platform. The information provided to third parties does not include Personal Information, but this information may be re-associated with Personal Information after we receive it.</p> <p>By way of example, as you visit the Platform, advertising cookies such as Google AdWords, may be placed on your computer so that we can understand what you are interested in. Our advertising partners then enable us to present you with retargeted advertising on other sites based on your previous interaction with the Platform.</p> <p>We also contract with third-party advertising networks and similar partners that collect IP addresses and other information on our Platform, from emails, and on third-party sites. Ad networks follow your online activities over time by collecting Site Navigational Information through automated means, including through the use of cookies. They use this information to provide advertisements about products and services tailored to your interests. You may see these advertisements on other websites. This process also helps us manage and track the effectiveness of our marketing efforts.</p> <p>Third parties, with whom we partner to provide certain features on the Platform or to display advertising based upon your web browsing activity, use Flash cookies to collect and store information. Flash cookies are different from browser cookies because of the amount of, type of, and how data is stored.</p>

You can control cookies and tracking tools. Some browsers have a “do not track” feature that prevents a website from tracking you, as well as additional cookie settings. Our Platform does not currently respond to these signals. If you choose to block cookies and other trackers, certain features of the Platform may not work. Blocking or rejecting cookies will not stop all of the tracking described in this Policy. These features and options are browser and device specific and are not uniform. You can usually find these settings in the options or preferences menu of your browser. To understand these settings, the following links for commonly used browsers may be helpful, or you can use the help option in your browser for more details:

On a mobile device, you may also be able to adjust your settings to limit ad tracking.

7. Your Choices

You have certain choices about how we use your Personal Information. You can opt out of certain marketing. To opt-out of marketing communications, please email us at privacy@companionprotect.com or by following the instructions included in the email or text correspondence. Please note that, even if you unsubscribe from certain correspondences, we may still need to contact you with important transactional or administrative information, as permitted by law.

8. Children Under the Age of 13

The Platform is meant for adults and we will not knowingly collect Personal Information from any person under the age of 13 without permission from a parent or guardian. The Platform is not designed to attract the attention of persons under the age of 13. If you are a parent or legal guardian and think your child has given us Personal Information you can email us at privacy@companionprotect.com. You can also write to us at the address listed in the “Contact Us” section of this Policy. Please mark your inquiries “COPPA Inquiry.”

9. California Privacy Rights

Pursuant to California’s Shine the Light statute (Cal. Civ. Code Sec. 1798.83), you can control if we share Personal Information with third parties for their marketing purposes. To opt-out of us sharing your Personal Information with third parties for such promotional purposes, email us at privacy@companionprotect.com or write to us in the “Contact Us” section of this Policy and include “Marketing Opt-Out” in your request.

In addition, pursuant to the California Consumer Privacy Act of 2018 (“CCPA”), California residents have certain other rights concerning their Personal Information. This section describes (1) the categories of Personal Information, collected and disclosed by Companion Protect, subject to CCPA, (2) your privacy rights under CCPA, and (3) how to exercise those rights.

When we use the term “Personal Information” in this section, we mean information that identifies, relates to, describes, is capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular consumer or household.

a. Personal Information We Collect.

If you are a California resident, please be aware that we collect, process, and maintain Personal Information to fulfill certain business purposes related to our Platform. We will not collect additional categories of Personal Information or use Personal Information collected for additional purposes without providing you notice. Within the preceding twelve (12) months we and our service providers have collected, and we may continue to collect, the categories of Personal Information set forth below. We disclose each of these categories of Personal Information to our service providers for our business purposes (to enable the service providers to provide their services) and as otherwise described in the “How We Disclose Personal Information” section above. Additionally, some of our online advertisers may have used and disclosed Usage Information (as defined below) collected automatically from the Platform. Regardless of whether this is a “sale” of Personal Information as defined by CCPA, we provide you the right to opt out of cookies used for online behavioral advertising as described above.

- Identifiers (for example, name, postal address, date of birth, email address, IP address, and online identifiers);

- Categories of Personal Information as defined by Cal. Civ. Code § 1798.80 (for example, name, signature, Taxpayer Identification Number, telephone number, passport number, driver’s license number, insurance policy number, account numbers);
- Protected classifications under California or federal law (for example, age, citizenship status, national origin or ancestry);
- Commercial information (for example, transaction history);
- Internet or other electronic network activity information, including information on your usage of our Sites (“Usage Information”);
- Geolocation data;
- Sensory data (for example, audio from call recordings); and
- Inferences drawn from any information identified above to create a profile.

b. Your Privacy Rights.

In accordance with the CCPA, California residents may exercise under certain conditions the following four (4) categories privacy rights with respect to their Personal Information. **Please note:** you will not be discriminated against in any way by virtue of your exercise of the rights listed below, which means we will not deny goods or services to you, provide a different prices or rates for goods or services to you, or provide a different level or quality of goods or services to you.

Privacy Right	Description
Notice	You may have the right to be notified of what categories of Personal Information will be collected at or before the point of collection and the purposes for which they will be used and shared.
Access	You may have the right to request the categories of Personal Information that we collected in the previous twelve (12) months, the categories of sources from which the Personal Information was collected, the specific pieces of Personal Information we have collected about you, and the business purposes for which such Personal Information is collected and shared. You may also have the right to request the categories of Personal Information which were disclosed for business purposes, and the categories of third parties in the twelve (12) months preceding your request for your Personal Information.
Data Portability	You may have the right to receive the Personal Information you have previously provided to us.
Erasure	You can request to have your Personal Information deleted from our servers and, to the extent we are required to do so, we will direct our service providers to do the same. However, please be aware that we may not fulfill your request for deletion if we (or our service provider(s)) are required to retain your Personal Information for one or more of the following categories of purposes: (1) to complete a transaction for which the Personal Information was collected, provide a good or service requested by you, or complete a contract between us and you; (2) to ensure our website integrity, security, and functionality; (3) to comply with applicable law or a legal obligation, or exercise rights under the law (including free speech rights); (4) to otherwise use your Personal Information, internally, in a lawful manner that is compatible with the context in which you provided it.
To Opt Out	You can request to opt out of our sale of your information Personal Information.

c. *How to Exercise Your Rights.*

If you would like to exercise your rights listed above, please send (or have your authorized agent send) an email to privacy@companionprotect.com or call us toll-free at: 855-864-4406. You have a right not to receive discriminatory treatment by any business when you exercise your CCPA rights.

While we take measures to ensure that those responsible for receiving and responding to your request are informed of your rights and how to help you exercise those rights, when contacting us to exercise your rights, we ask you to please adhere to the following guidelines:

- ***Tell Us Which Right You Are Exercising***: Specify which right you want to exercise and the Personal Information to which your request relates (if not to you). If you are acting on behalf of another consumer, please clearly indicate this fact and your authority to act on such consumer's behalf;
- ***Help Us Verify Your Identity***: Provide us enough information to verify your identity. For example, provide us (at a minimum) your full name, address, and phone number. Please note that if we cannot initially verify your identity, we may request additional information to complete the verification process. Any Personal Information you disclose to us for purposes of verifying your identity will solely be used for the purpose of verification.
- ***Direct Our Response Delivery***: Inform us of the delivery mechanism with which you prefer to receive our response. You may specify, for example, email, or phone.

Please note that you do not need to create an account with us in order to make a request to exercise your rights hereunder.

d. *How We Respond to Your Requests.*

In all cases, we will respond to your request within 45 days. However, where reasonably necessary, we may extend our response time by an additional 45 days, provided we send you notice of such extension first. We will provide the information to you via your preferred delivery mechanism. If the information is provided to you electronically, we will provide you the information in a portable format and, to the extent technically feasible, in a machine readable, readily useable format that allows you to freely transmit this information without hindrance.

Please note that we will not charge you for making a request, provided that you make no more than two (2) requests per year. If you make three (3) or more requests in any given twelve (12) month period, we may refuse to respond to such requests, if determined by us to be unfounded or excessive (e.g. repetitive in nature), or we may charge a reasonable fee taking into account the administrative costs of providing the information or communication or taking the action requested. We may also deny certain requests, or only partially fulfil them, as permitted or required by applicable law. For example, notwithstanding your deletion request, we may retain Personal Information that we need to retain for legal purposes (for example, tax accounting). If we refuse to act on the request, we will provide you notice and the reason for our refusal to act.

The CCPA gives California Consumers the right to lodge a complaint with the California Attorney General's office. The Attorney General's office may be contacted [here](#).

10. Storage, Security and Retention of Information

Companion Protect has taken reasonable steps to protect the Personal Information users share with us, including, but not limited to, setup of processes, equipment and software to avoid unauthorized access or disclosure of it. No transmission of Personal Information via the Internet can be entirely secure, however, so please always use caution when submitting Personal Information. We will retain your Personal

Information in compliance with the uses described in this Policy, as well as to comply with our legal, financial reporting, or compliance obligations.

11. Links to Third Parties and their Sites

Our Platform may include third party content and links to third party websites and services that collect Personal Information. We do not control these third parties and this Policy does not apply to their privacy practices. We are not responsible for the practices of these third parties or how they use information you provide to them. Please read the third parties' privacy policies carefully.

12. Contacting Companion Protect
